

## NARBERTH SPRING FLOWER SHOW SATURDAY AFTERNOON AND EVENING, JUNE 7, IN THE Y. M. C. A. BUILDING

EVERY RESIDENT OF NARBERTH AND VICINITY INVITED TO ENTER  
EXHIBITS—NO ENTRANCE FEE—NO ADMISSION CHARGE.  
SPECIAL PRIZES FOR CHILDREN'S EXHIBITS.

FLOWERS FOR SALE. SEEDS FOR SALE. REFRESHMENTS FOR SALE

The Spring Flower Show in Narberth has always been very successful and encouraging both to the exhibitors and those having the Show in charge. The many handsome flowers grown in our gardens are shown to the best advantage and experienced experts act as judges before the ribbons are awarded, so that there is absolutely no favoritism. Every exhibit is fairly judged strictly on the merit of the blooms.

There is nothing professional about the Show. In fact, it is strictly for amateur gardeners. Anyone who has been able to grow any of the flowers listed in another column, may enter them for exhibition, provided they are delivered at the Y. M. C. A. Building on the second floor, between 11 A. M. and 1 P. M. on June 7.

Judges will select the prize winners between 1:30 and 3 o'clock, at which time the complete exhibit will be opened to the public.

Please bring your own vases or containers to exhibit the flowers and also attach a ticket giving the exhibitor's name and the number of the class for which the exhibit is intended.

The Show last year was in charge of the Garden Committee of the Civic Association, but as their work for the past year is finished and the new Garden Committee for the coming year has not been selected, the work is being handled by the interested members of the Civic Association.

The flowers may be taken away by their owners after the Show, but as it has been our practice to donate them to a neighboring hospital or charitable institution, we suggest that those who have no special use for the flowers as decorations donate them for this good purpose.

This year elaborate plans are being made to decorate the entire second floor at the Y. M. C. A. Building, and in addition to the Show itself, to have a "get-together" party for all those who are interested in growing flowers and for those who like to come and admire them.

Seasonable refreshments will be served by the ladies of the committee, assisted by their many aides, and in addition to this there will be seeds and cut flowers for sale, as well as candy and other things of interest to the children and grown-ups, too.

Mrs. James G. Foote is general chairman of the committee and will appreciate any assistance that can be given to help make the show a bigger success.

In the past years the children's exhibits of wild flowers has been one of the most prominent features of the Show, and this year there will be prizes given of War Savings Stamps and Thrift Stamps for the four best arranged vases or baskets of wild flowers. There will be two classes, one for children between the ages of 5 and 10, and one class for those between the ages of 10 and 15.

It is specially requested that the par-

ents and teachers have the children make exhibits of well arranged collections of wild flowers, and we are sure that the prizes will be more than worth while.

We are sure all the old residents of Narberth will exhibit and attend the Flower Show, as they know from past experience that it has been worth while and should be better than ever this year.

New residents in town should at least attend the show, and if at all possible bring their flowers properly marked for exhibit and get acquainted.

On Saturday, June 14th, a June fete will be held in the Y. M. C. A. Building, details of which will be given in a later issue of Our Town.

The Rummage Sale held on Wednesday of this week at Ardmore, under the direction of Mrs. Darlington, for the benefit of the Ladies' Auxiliary of the Narberth Y. M. C. A., has yielded so far \$105.00. Geraldine Farrar, in the spectacular drama of Spanish feud, "The Stronger Vow," will be shown at the Palace Theatre, Ardmore, on Wednesday. "The Stronger Vow" is a highly dramatic story of a Spanish girl who finds that the man she marries is the one believed to have murdered her brother, and Miss Farrar takes advantage of every opportunity in showing her most wonderful talent. ## BASE BALL SEASON OPENS SATURDAY ON HIGH SCHOOL GROUNDS

BIG CROWD EXPECTED TO ATTEND OPENING GAME—HAVE YOU YOUR SEASON TICKET?

Saturday afternoon, May 24, will mark the re-entry of the Narberth Baseball Club into the Main Line League, after having been off the list for the past two summers, on account of the majority of the boys having been in the service of their country.

Members of the Baseball Club have secured the High School Grounds through the courtesy of our School Board, and have erected a well-shaded grandstand, which will seat about 250.

The grounds will be in first-class condition and everyone should turn out to the opening game to welcome our boys back with us in this the king of American outdoor sports.

People of Narberth have always supported our baseball team in noble fashion, and it is to be hoped that this year, with a bigger town, that we will have even larger attendance at our regular Saturday afternoon and holiday games.

The teams in the Main Line League this year are as follows, and it looks as if it would be some mighty good baseball for Main Line fans:

Auto Car Club, of Ardmore; John & James Dobson; Union Athletic Club, of Lansdowne; Drexel Hill; R. G. Dunn & Company; Narberth Baseball Club.

Twelve of the twenty games on the schedule will be played on our home grounds and season tickets can be purchased from the following:

Howard's Drug Store, J. J. Cabrey, Stewart McClellan, Raymond Jones, Davis' Stationery Store, Eugene Davis, Vernon Fleck, Fred Walzer, R. J. Edgar.

Price of admission this year, in line with the other Main Line clubs, will be 25 cents, and the season tickets, which cover a year's membership in the baseball club, are \$5.00.

A complete schedule for the season will be found in another column of the paper. The players for the Saturday afternoon game with Drexel Hill Club will be taken from the following list:

Simpson, Dickie, Wallace, Durbin, Stites, McClellan, Davis, Poreh, Rodgers, Henzy, Fleck, Gibson, Porto, Cullinan.

Get the habit of strolling to the Ball Field, or, better still, buy a season ticket and be a regular and see some big league baseball, played by our own boys of the Year-Round Home Town.

"Play ball" at 3.15.

## Editorial

Wanted—Short, crispy Fireside items for Our Town. Just jot down that little happening of yours on a postal card and send it in. Of course, we won't publish your name.

The final figures of the Main Line Victory Loan, as published elsewhere in this issue, exceed all expectations. We should be very proud that we live in a section where such wonderful things can be done. And Narberth did her part, as she has done in the previous loans.

Narberth has always made a pretty good showing when it comes to baseball. This year's team has every prospect of being up to the Narberth standard of the sport. To be successful, it needs your support, for there is no question but that a successful baseball club is one of the best advertising sources a town can have.

Do you wear a "centenary" button? The Methodist Episcopal Church in general, composed of over 4,000,000 members, is raising \$105,000,000 in the next five years, for Home and Foreign Missions, and for reconstruction work in Europe. Our local church will make a good account of itself in raising its quota.

There are several Narberth merchants who do not believe in advertising. Their excuse is that their business is so poor, and handled on such a close basis, that they cannot afford to spend any money to tell the people of Narberth what they

have to sell. And yet, a comparatively young Narberth concern—strictly up to date, and a credit to our town—claims that he has received results far beyond his expectations in his advertising in this paper. It pays to be up to date in everything, particularly in a town situated so near a large city, such as Narberth is.

Does your organization use the Calendar of Coming Events to let the people of Narberth know just when "that affair" will come off? Its use is free, and the blank following the calendar is concise and quite explanatory.

To the Editor of Our Town:

There was a man in Our Town  
Who called himself a king;  
He raised a lot of dahlias  
That were not worth a thing.

He wondered why they were not good,  
And blamed it all on fate,  
But really, if the facts were known,  
He planted them too late.

He watered them and talked to them  
And tried to find the reason;  
But all the time he worked in vain,  
For flowers bloom in season.

Now Dahlia Kings and other kings  
Are really out of style—  
So plant your shoots in the month of May  
And wait the June sun's smile.  
HAZEL N.

To the Editor of Our Town:

In accordance with our original plan, we are submitting a brief report of the work of the Main Line Employment Bureau from March 15th to April 15th: Calls from employers, 250.

Calls from employees (male), 46 (of these 10 were men discharged from the service).

Calls from employees (female), 45.  
Employees sent for interviews, 30.  
Placements (56 for temporary work), 80.

It will be noted that the demand for labor is still about three times the supply, and, while this condition makes it difficult for the Bureau to serve the employer to the extent that we hope to be able to when the supply is more nearly equal to the demand, the results of the last two weeks have more than doubled the results of the first four. This is very gratifying.

We trust that all organizations who have endorsed this work will feel at perfect liberty to make any constructive criticism that they see fit, as we need such criticism if we are to serve the community to our best ability.

Every three months a more detailed statement, including a financial report, will be sent.

Very truly yours,

ELISABETH V. CLOUD,

Secretary.

AIR MAIL SERVICE, CLEVELAND, CHICAGO.

In effect May 15th, 1919. Regular aeroplane mail service has been established between Cleveland, Ohio, and Chicago, Ill., with intermediate exchange at Bryan, Ohio. Aeroplanes will leave each terminal at 9:30 A. M., Central time, and will make the trip in approximately three and one-half hours. Letters intended to go by aeroplane should have aeroplane stamps or ordinary postage stamps at the rate of six cents an ounce or fraction thereof, and letters marked conspicuously "Air Mail." The use of special delivery stamps in addition to the aeroplane postage will assure still greater expedition of letters at points of delivery.

NARBERTH GIRL SCOUTS REORGANIZE.

Last spring a year ago a Girl Scout Troop was organized under the captainship of Mrs. Bye, whose death not so long after she was appointed captain was felt so keenly by the Scouts that they decided to discontinue for the summer. The girls decided to reorganize the troop, and through the kindness of Rev. Frank M. Gray did so with more than six times the original number of girls.

After much careful consideration they

elected the following officers: Mrs. Henry M. R. Bowen, Scout Captain; Miss Olivia Roberts, Miss Mary Chalfant and Mrs. Arthur V. Emmett, Lieutenants; Lois Smith, Secretary; Mabel Kirkpatrick, Treasurer, and Lucia Keim, Corresponding Secretary.

Patrol officers—Patrol No. 1: Doris Von Culin, Patrol Leader; Dorothy Chalfant, Corporal; Verna Malthy, Nurse. Patrol No. 2: Dorothy Bottoms, Patrol Leader; Elizabeth Jones, Corporal; Marion Knapp, Nurse. Patrol No. 3: Dorothy Shenaman, Patrol Leader; Elizabeth Cook, Corporal; Ann Barclay, Nurse. Patrol No. 4 (not fully organized): Grace Houston, Patrol Leader. Patrol No. 5 not thoroughly organized.

## Women's Community Club Notes

CLOSING MEETING TUESDAY, MAY 27TH, AT 11.30 A. M., AT THE HOME OF MRS. ROBT. DOTHARD, WYNNEWOOD AVE.

The final meeting of the club for the season will be in the form of a reception to the new members at the home of our genial hostess, Mrs. Robert Dothard, Wynnewood avenue. The receiving committee will be composed of the new members of 1918-1919.

The committee in charge are aiming to make this closing day of the year one of merriment and jollification. There will be special vocal numbers by the club chorus, readings by one of the members, also palm reading by another member as an added amusing feature.

Members are urged to be on hand promptly at 11.30 A. M. ready for a day's outing and prepared to conclude the year's program with the same genial spirit and good fellowship that has prevailed throughout the year.

Box luncheon. Accessories to be furnished at a nominal charge.

WOMEN'S COMMUNITY CLUB RECEIVES GERMAN HELMET AS REWARD FOR LIBERTY LOAN WORK.

The above organization is the proud recipient of a German helmet from the Government as a token of appreciation for its efforts on the various loans.

This helmet is one of the many found stored in Metz and which were planned to be used by the Germans on their triumphal march into Paris.

Miss Jane Campbell's talk on the "Immortality of Mother Goose" at the club on Tuesday, May 13th, was much enjoyed by all present. Miss Campbell always brings with her such a splendid collection of good wit and humor that it would be a poor one indeed who could not always enjoy her. The club is to be congratulated on having found such favor in the eyes of Miss Campbell as to have had two visits from her in such rapid succession.

"YE OLDE FASHIONED STRAWBERRY FESTIVAL."

Hurrah for the old-time festival! To be held June 10th on the corner of Forest and Windsor avenues by the Women's Community Club of Narberth. Further particulars in a later issue.

7 P. M.—Epworth League meeting.

7.45 P. M.—Victory service with sermon by pastor, "The Next Five Years." A service of thankfulness because our Church has subscribed at least \$1,000

over its quota. The Methodist Episcopal Church has planned to raise \$105,000,000 in the next five years for Missions at home and abroad and in reconstruction work in Europe, and the quota for our Church is \$1,524.00 per year. Thanks to the good work of our Centenary Committee and the co-operation of our people, we had \$2,323.00 subscribed on last Sunday, and this will probably be increased to \$2,500.00 per year for the next 5 years. A great and a glorious victory.

Monday, 8 P. M.—Meeting of Board of Trustees.

8 P. M.—Important business and social meeting of the Epworth League. Election of officers.

#### THE CUB.

To the Editor of Our Town:

The Cub is a writer of wide renown. For he writes a column for Our Town, And personally sends the Editor-in-Chief A weekly letter, or edited brief.

In which appears the neighborhood gossip

And other stuff of even less profit. He's either related to the Dahlia King, Or McCarter's dog, or some other odd thing.

For the items he gathers about this Burg

Are some of the worst I've ever heard. He speaks of Cummer's harmonious sounds

And of Officer Hill's perennial rounds.

And do you know I have a suspicion That he is the author of "Notions" rendition.

Of ancient language apparently Celtic, But savoring strongly of something neurotic.

As long as he sticks to things that are real

And doesn't eventually run down at the heel,

I will be willing to read his trash

In the hope that his column won't end with a smash.

It may be the start of a good fishing season

Will give inspiration of something in reason.

So that when he writes of Verna and Savill

There will be nothing at which I can cavil.

Editor will note the correct English pronunciation of the surname of Robt. G. Savill.

The wide interest which is being taken in the Devon Horse Show and Country Fair, to be held at the Polo Field, Devon, on May 28, 29, 30 and 31, with the constantly increasing accessions to its ranks of workers, now bids fair to make the Show, which will be given for the benefit of the Bryn Mawr Hospital, the chief social charitable event of the season on the Main Line.

Mr. Thomas G. Ashton, Chairman of the Horse Show Committee, announces ten new classes, making one hundred and twenty in all, and through the courtesy of Mr. George C. The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow townsmen, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
